

Visit Mankato 2017 Tourism Award Nomination Form

After dining at a restaurant, staying in a hotel, shopping at a boutique or attending an event, the customer service the patron receives is often what sticks with them-it's the positive experiences that keep them coming back.

In observance of National Travel and Tourism Week, May 7-13, Visit Mankato is accepting nominations to recognize outstanding service that Mankato hospitality industry personnel provide daily. There are four award categories to recognize an individual that advocates and supports travel and tourism in greater Mankato. The categories are: restaurant employee, hotel employee, attraction employee and retail employee.

A committee will select the final four award recipients. Each award recipient will be recognized throughout Travel and Tourism Week.
